OUR PASTORS

We are Jeff & Lacy Hitman-Mason and we are beyond excited to be starting a new church in Cincinnati.

We have been married for 14 years and have one son, Jameson. We have always been passionate about building the Church and early in our marriage God put it in our hearts to be church planters.

When we visited Cincinnati in 2017 God gave us unmistakable, unshakable, supernatural love for Cincinnati as we sought His direction on where He wanted us to start a church. God's direction was clear, but His timing has not always been. We know now that it's time.

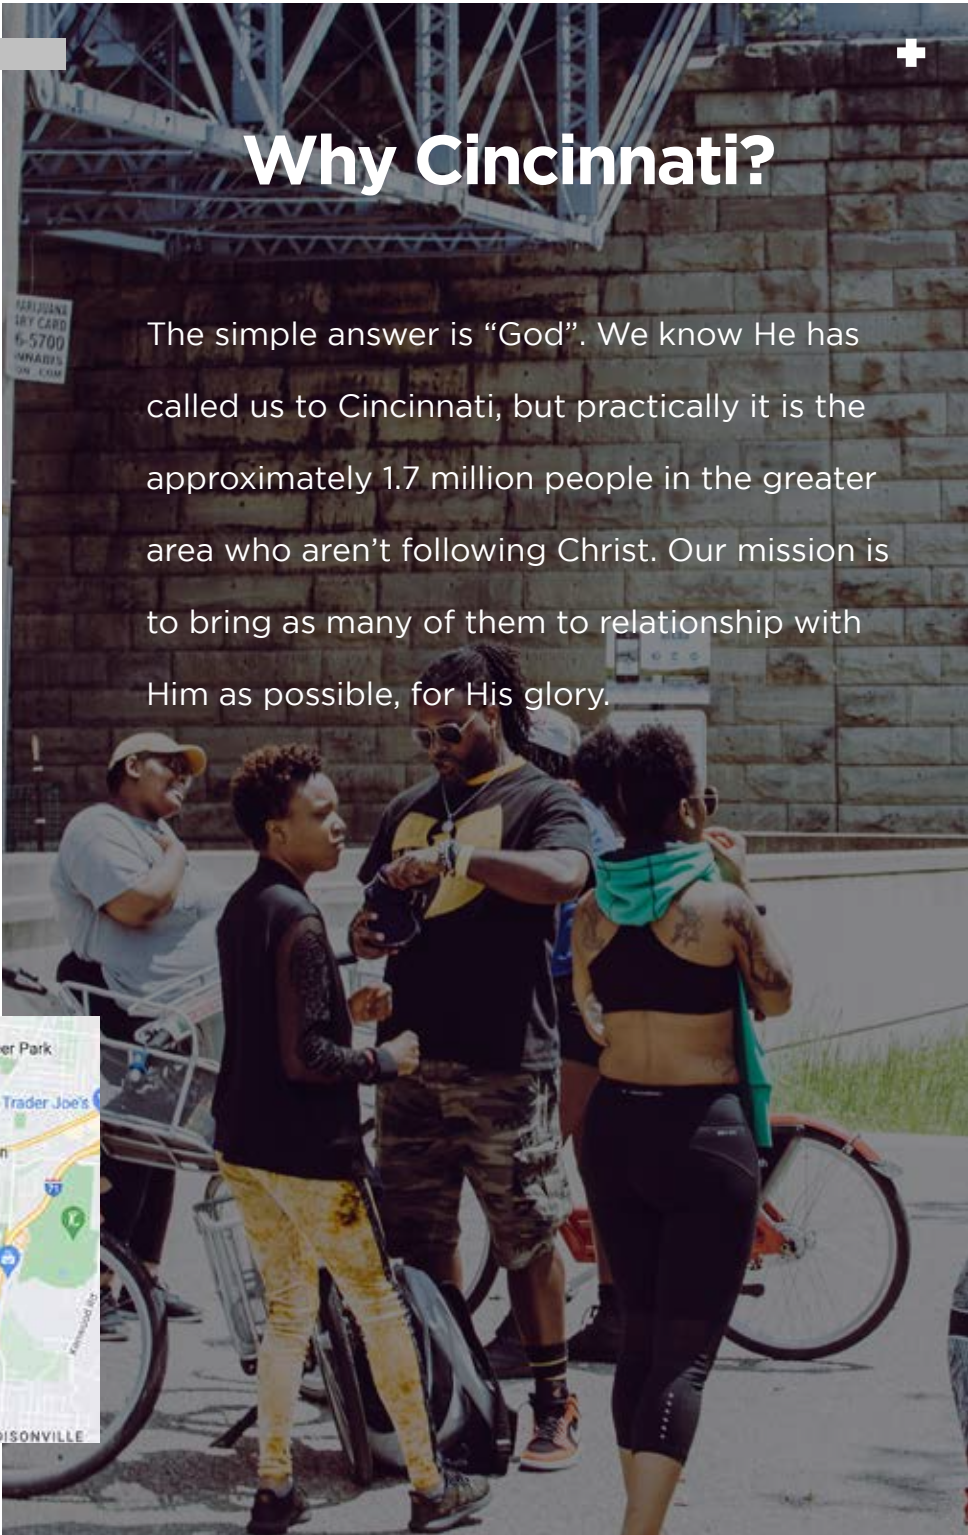

Time to move in the direction He's called us, and we are starting right where He placed the burden in our hearts - in the Pleasant Ridge/ Norwood/Silverton area.

Why Cincinnati?

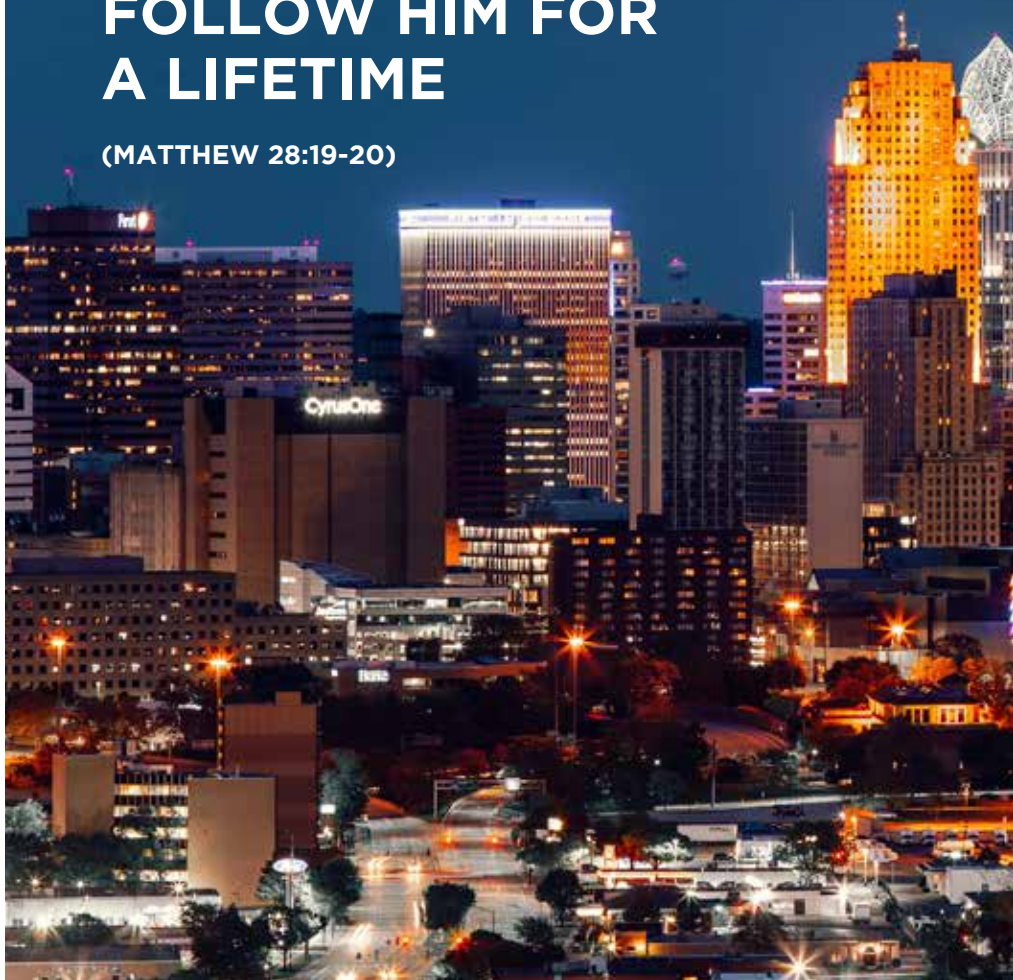

The simple answer is “God”. We know He has called us to Cincinnati, but practically it is the approximately 1.7 million people in the greater area who aren’t following Christ. Our mission is to bring as many of them to relationship with Him as possible, for His glory.
